

Patient Perspective

Matt Ellefson

Founder/CEO - SURVIVEiT

Nothing to disclose

The **best way** to get through
your worst of times
is by **helping others**
get through theirs.

Not just waiting.

Acting.

Not just hoping.

Living.

Not just battling.

Surviving.

Together we can remove the fear of cancer and turn strategies and options into success stories of people living the life they love.

Let's start today.

SURVIVEiT®
